

ITShastra Recognized As Best Software Solutions and Services Provider in Mumbai by BIG Brands Research

Mumbai, Maharashtra, India, Monday, August 29, 2011 — (Business Wire India) ITShastra, a software development, testing and design company for worldwide business needs and offshore project delivery, today announced that it has been named a Best Software Solutions and Service Provider in Mumbai by BIG Brands Research.

BIG Brands Research is an organization dedicated to identifying top performers in various business categories and geographies, focusing on both brands and individuals. BIG Brands Research Excellence Awards recognizes companies that demonstrate a commitment to quality and customer satisfaction.

“It is an honor to receive this award, and we are grateful to our clients for their loyalty and support, which is what, truly makes us one of the ‘Best Software and Solutions Providers in Mumbai’,” said Prasad Nagool, CEO of ITShastra. “This is an acknowledgement of our consistent efforts to deliver services beyond our clients’ expectations.”

ITShastra, a premier software service and design company, produces leading-edge solutions, products and designs for businesses worldwide. The company specializes in cost effective offshore product delivery, while enabling its clients to maintain ultimate control over their development resources.

Nagool continued, “The recognition by BIG Brands further validates and strengthens our commitment to ITShastra’s core values of honesty, integrity and customer focus, which we attribute to continued success in achieving our business objectives and garnering superior results for our clients.”
